

No Touch "Choice"

Hands-Free Auto-Cut Roll Towel Dispenser

DPPC-0529

This attractive unit hygienically dispenses sheets with low pull force and a patented, high efficiency cutting technology for the lowest tab-outs in the industry. Satisfies customers and reduces maintenance costs for all Away From Home applications.

USER SATISFACTION

- Patented cutting mechanism provides quiet, efficient operation with low pull force that reduces tab-outs

HYGIENIC PERFORMANCE

- Battery-free, no touch operation for the ultimate in user hygiene – you only touch the paper

UPSCALE IMAGE

- Attractive streamlined exterior
- Stylish transparent smoke and grey colors to match upscale washroom decor

EASY MAINTENANCE

- Quick and easy loading with open access and exposed roll holders
- Easy clean surfaces
- Reliable operation with few moving parts and no electric motors, batteries sensors, calibration or special servicing needed

ECONOMY

- Replaceable dispensing module lowers repair cost
- No-rust plastic components
- Stainless steel and high impact resins resist corrosion from sanitizing solutions for long-lasting service

LOWER COST IN USE

- Allows for loading a new roll before the stub roll runs out
- Self-threading transfer system allows single sheet stub roll dispensing to eliminate waste
- Uses economical nonperforated rolls
- Two-handed pull encourages fewer sheets per hand dry, reducing overall consumption.
