

# Double Jumbo

## Double Jumbo Tissue Dispenser

*Economical, High Capacity, NO Waste*

**DPPC0812**

The Twin Roll PJT (Perrin Jumbo Tissue) accommodates two 10" diameter rolls for high use areas. The cost-saving model features a simple to use transfer system that ensures one roll will be totally finished before the backup roll is engaged. Vandal resistant features protect your property!

### **USER SATISFACTION**

- Rotating spindle reduces tab-outs
- User friendly turn knob helps locate the tissue
- Simple, reliable transfer system for end user to easily switch to a new roll when one runs out

### **HYGIENIC PERFORMANCE**

- See-through cover helps maintenance staff monitor supply so you never run out of paper

### **UPSCALE IMAGE**

- No-rust plastic components to maintain clean and sanitary appearance

### **EASY MAINTENANCE**

- Ultra high capacity (two 10" diameter rolls)
- Simple one-handed loading
- Easy-clean surfaces

### **ECONOMY**

- Durable, plastic construction for long-lasting commercial use
- Vandal resistant locking cover

### **LOWER COST IN USE**

- Accommodates economical jumbo rolls
- Self-locking sliding door and unique empty roll sensor allow access to only one side at a time – no stub roll waste
