

No Touch "Choice" **WIDE**

**Hands-Free up to 10" Extra Wide
Roll Towel Dispenser**

Wider format and more capacity roll means one towel per hand dry!

DPPC0929

Our popular No Touch dispenser is now available in a wide format for paper-saving efficiency. Accommodates rolls up to 10" for hygienic, single-towel-per-hand-dry use. The ingenious No Touch technology features low pull force and a patented, high efficiency cutting technology for the lowest tab-outs in the industry. Satisfies customers and reduces maintenance costs for all Away From Home application.

USER SATISFACTION

- Patented cutting mechanism provides quiet, efficient operation with low pull force and reduced tab-outs

HYGIENIC PERFORMANCE

- Battery-free, no touch operation now in wider format for the ultimate in user hygiene – you only touch the paper

UPSCALE IMAGE

- Attractive streamlined exterior
- Stylish transparent smoke and grey colors to match upscale washroom décor

EASY MAINTENANCE

- Quick and easy loading with open access and exposed roll holders
- Easy-clean surfaces
- Reliable operation with few moving parts and no electric motors, batteries, sensors, calibration or special servicing needed

ECONOMY

- Replaceable dispensing module lowers repair costs
- No-rust plastic components
- Stainless steel and high impact resins resist corrosion from sanitizing solutions for long-lasting service

LOWER COST IN USE

- New wide format means rolls last longer between replacements
- Wider paper encourages one sheet per dry, resulting in substantial paper savings
- Allows for loading a new roll before the stub roll runs out
- Self-threading transfer system allows single sheet stub roll dispensing to eliminates waste
- Two-handed pull encourage fewer sheets per hand dry, reducing overall consumption
- Uses economical non-perforated rolls
