

Jumbo Dispenser

Jumbo Bath Tissue Dispenser

DPPC300

(with stub roll)

The versatile PJT (Perrin Jumbo Tissue) is the dispenser you need for economical high capacity in a compact and tidy jumbo tissue system. The unique stub roll holder is built-in to encourage no waste dispensing.

USER SATISFACTION

- Rotating spindle reduces tab-outs and helps user position roll for easy access at all times
- Exterior center knob turns the roll to locate the tissue

HYGIENIC PERFORMANCE

- Clear design to gauge fill level – no running out of paper!

UPSCALE IMAGE

- High impact housing and easy-clean surfaces to maintain a clean and sanitary appearance

EASY MAINTENANCE

- Hinge cover for easier refilling
- Easy-clean surface

ECONOMY

- No-rust plastic components for long lasting performance

LOWER COST IN USE

- High capacity for economical paper supply
- Unique stub roll feature in low footprint – stub roll snaps into a holder at the dispenser
- Vandal resistant with key activated lock
